

Equipment Status Management Sign

◆ Product Description

Made of quality acrylic board with 3m adhesive, removable and residue free, printable status labels, clear and durable, widely used for equipment visual management in workshops.

◆ Product Advantages

- Strong 3m adhesive, firm and durable
- Reusable peel and stick, no residue left
- Acrylic wear and water resistant, long service life
- Clear and eye-catching status labels for visual management
- Large and small sizes for different equipment

◆ Product Structure

Precisely cut from quality acrylic with smooth edges and flat surface, backed with 3m adhesive for firm mounting, printable status marks, rounded corners and standard uniform sizes.

◆ Application Scenarios

Applied in electronics, machinery and chemical plants to mark equipment running, stopped, maintenance and fault states, supporting inspection and visual management for higher safety.

◆ Product Data and Physical Performance
